1. About Gems Groups

Gems Groups has been delivering digital growth solutions since 2020. We help businesses build a strong online presence through technology, creativity and smart marketing – all under one roof.

2. Our Services

- **Digital Marketing:** social media management, brand promotion and performance campaigns.
- **Ads Management:** planning, running and optimising paid advertising campaigns.
- **Software & Website Services:** website design, development, hosting support and ongoing maintenance.
- **Artificial Intelligence (AI):** AI-powered tools and automation to improve business efficiency.
- **Editing:** professional video, photo and graphic editing.
- **Content Creation:** posts, reels, creatives, captions and campaign material.

3. Website Development & Maintenance

The total website cost is approximately ₹70,000 to ₹1,00,000, depending on the scope of the project. Website development and maintenance charges are included in the total website cost, so the client does not need to pay anything separately for them. The website cost is paid monthly over a 2-year (24-month) contract period.

4. Digital Marketing, Content & Ads

Digital marketing, content creation and ad campaigns are not part of the website cost. These services are charged monthly, based on the client's requirements, and the payments continue for as long as the client uses the services – including after the 2-year website payment period is completed. The scope for each month is discussed and agreed with the client in advance.

5. Pricing, Payment & Contract Term

Item	Details
Website development & maintenance	Total website cost is approx. ₹70,000 – ₹1,00,000, paid in monthly instalments over 24 months (2 years). Development and maintenance are included – no separate payment.
Website payment period	24 months (2 years). Website payments end after the contract period.
Monthly service fee	₹6,500 – ₹7,000 per month for the total service package
Digital marketing, content & ads	Continuing monthly payments, based on the client's requirements. These continue after the website payment period ends.
Early cancellation	If the website contract is cancelled within 1 year, the full website amount is payable (see Section 5)

- **Website payment:** The website cost is paid monthly over 2 years (24 months). Once the 24 months are completed, no further website payment is due.
- **Monthly payment:** The client pays ₹6,500 to ₹7,000 per month for the total service package.
- **Marketing services:** Digital marketing, content creation and ad running payments continue monthly based on requirements, and are updated as the client's needs change.
- **Early cancellation:** If the client cancels the website contract within 1 year, the client must pay the full website amount.
- **Inclusions:** Website development and maintenance are covered by the total website cost; no additional charges apply for them.
